Written by Evan Wickham Copyright © 2009 Evan Wickham BMI

Verse 1:

I live for Your love my treasure and truth
I long to do whatever You will
I live for Your love holy and bright
Here in this light I'm yielded and still

Pre-Chorus:

Behold what manner of love
That we should be children of God

Chorus:

**All my praise I will give
To my Savior Jesus
For Your love I will live
Both now and forever**

Verse 2:

I live for Your love faithful and sure
Humble and pure in all that You do
I live for the love that brought You to die
And caused me to fly in freedom with You

(Pre-Chorus)

(Chorus)
